MADE WITH PREMIUM
VERIFIED CANADIAN PORK

Pioneer Meat

THE ORIGINAL FARMERS SAUSAGE.

Farmers sausage might seem like a strange thing to be passionate about, but it's *our* passion. Everything we do is dedicated to our unwavering focus to create the best possible experience for our customers. We offer a delicious product that is fresh, pure and made with care. Pioneer Meat has been a tradition in Altona, Manitoba for over 50 years, and we have painstakingly developed and maintained the recipe and process. Even though the business has grown, what hasn't changed are the recipes and principles:

- we still use minimal ingredients
- we will still sell only the freshest products
- we buy and produce everything locally
- we are guided by simple, strong values
- our customers' needs are our first priority
- all our products are gluten free

The result is the most delicious farmers sausage you'll ever have. The proof is in the tasting. You'll be very glad you did.
